BYC Alumni Association Invitation:

Over 20 years ago I went to BYC for the first time. Many caring people made sure that we had a great time as we learned about Jesus! BYC became a second home to me, the people there were like family! When the lake would come into view on my way to camp my heart would fill with joy! God changed my life through the ministry of BYC and I pray that your life was also impacted there!

All of us who went there are a part of the legacy of BYC! There are many who need the love and support that camp is able to offer. BYC is providing a place for the love of God to flow, as many learn about what Jesus has done for each of us and as they grow in their relationship with the Creator! I pray you will accept the invitation to be a part of the BYC Alumni Association, you can make a difference!

Please contact Adrian for more information or to add your name to the growing list of Alumni. Together we can see God do great things through the ministry of BYC! God is awesome!

Feel Free to contact us!

Please do not hesitate to give me a call. I want your experience at BYC to be the best possible, so if there is anything I can do please let me know!
